PARTNER

Anything Anywhere

letship.in

Why should you join us?

Letship aims to promote and expand your business in multiple ways, not just by increasing your digital footprint but by enabling you to provide a 360 degrees solution to the customer. Simply put, we are not just making your business reach new customers but also creating a one of a kind platform that you can use to extend your services and harness your business's full potential.

With Letship, we believe not just in delivering confirmed customers and their requirement to your fingertips on an easy to use Vendor Dashboard but also connect you to other linked businesses so we can be your networking team to solve any challenge you confront in serving the end customer. This means not just increased sales but we become your backend team to increase your footprint across the country and across multiple segments.

Benefits of being on Letship

(Vendors/Network Partners):

Confirmed Sales not just Leads

Gone are the days where you have to chase business and follow up on leads. Grab your ready to shipped leads right away.

Customer Care

We have a dedicated customer care centre which will ensure better response, feedback and customer retention.

LetShipSafe

Insurance partners on the platform will also have the best rates for insurance which will make your shipments much safer, secure in a price effective manner.

Online Payments, Wallet & Cash on Delivery

Online payment will ensure higher sales and smoother process. Cash on delivery options available only for LetShip priority vendors.

How it works

As a Letship vendor you will get **“ready to be shipped”** sales right at a click while customers get to provide feedback on your services and sales. The ratings as well as multiple loads will assist in higher volumes and increase your business.

Various customer oriented campaigns online as well as offline will ensure a steady flow of business to you in both

Who can partner with Letship?

If you are a transporter who is into moving & packing, animal relocation, courier, plant and heavy vehicle equipment shifting, vehicle & household shifting, postal service, fine art relocation, office shifting or as we call it move anything anywhere then you can come aboard the Letship.

So say goodbye to endless follow-ups on leads and expensive monthly subscription fees on multiple partners and come aboard Letship.
